EVALUATION OF COURSES

Degree: Master in Computer Science (270)

Prof. Augsten Nikolaus
Course: 72017 Database Management and Tuning

July 2010, 2nd Semester
Academic year 2009/2010
This report presents the results of the evaluation of the courses held at the Free University of Bolzano-Bozen during the 2009/2010 academic year (2nd Semester). The students were asked to express their opinion on the courses.

The graphs compare the results for each analysed course (72017 Database Management and Tuning, prof. Augsten Nikolaus) with the total for all the courses of the degree held during the same period.

Der vorliegende Kurzbericht stellt die Ergebnisse der Bewertung der Lehrveranstaltungen an der Freien Universität Bozen für das akademische Jahr 2009/2010 (zweites Semester) durch ihre Studenten/innen dar.

Dabei werden die Ergebnisse der Bewertung der vorliegenden Lehrveranstaltung (72017 Database Management and Tuning, Prof. Augsten Nikolaus) mit den Ergebnissen aller Lehrveranstaltungen des jeweiligen Lehrgangs im Zeitraum verglichen. Der Vergleich erfolgt durch die Darstellung der Häufigkeiten der Nennungen.

La relazione presenta i risultati della valutazione dei corsi alla Libera Università di Bolzano per l’anno accademico 2009/2010 (secondo semestre) espressa dagli studenti.

I grafici mettono a confronto i risultati del corso analizzato (72017 Database Management and Tuning, prof. Augsten Nikolaus) con la valutazione del totale dei corsi attivati nello stesso periodo per il corso di laurea.
Organisation

Is the subject work load in the time period stated above generally acceptable?

Is the organisation (timetable, half term and final exams) generally acceptable?
Organisation of this course

Has exam procedure been explained clearly?

Has the subject timetable been respected?
Are teaching staff available for explanations and clarification?

Is the language used on the course by the teacher comprehensible?
Is the length of the course well balanced?

[Bar chart showing responses to the question about the balance of the course length.]

- Missing value: 12.5%
- Definitely NO: 2.06%
- Generally NO: 0%
- Generally YES: 7.22%
- Definitely YES: 57.73%
- Total degree (n=97): 30.93%
Didactic activity and study

Was my preliminary knowledge sufficient / adequate in understanding the subject?

Does the teacher stimulate / motivate interest in the subject?
Does the teacher explain the subject clearly?

Is the study load in this subject proportionate to the credits awarded?
Is the didactic material (recommended or supplied) adequate for subject study?

![Bar chart showing responses to the question about didactic material adequacy. The chart compares course (n=8) with total degree (n=97).]

Are the supplementary didactic exercises (exercises, laboratory, seminars etc...) constructive in subject learning? (if supplementary didactive activities are not part of the course, reply "not included")

![Bar chart showing responses to the question about supplementary exercises. The chart compares course (n=8) with total degree (n=97).]
Is the course well structured?

Are the examples given to support theory adequate?
Is the course level adequate?

Does the teacher display teaching ability?
Is the teacher open to discussion and does he/she answer questions?

Is the general assessment of the teacher/instructor positive?
Infrastructure

Are the teaching rooms for this course adequate? (blackboard visibility, seating, acoustics)

Are the rooms and equipment for the supplementary didactic activities adequate? (exercises, labors, seminars, ...) If there are no additional didactic activities planned, answer with „not included“)
Interest and Satisfaction

Am I interested in the subject? (regardless of teaching method)

Am I generally satisfied with the teaching of the subject?
Student participation

How regularly did you attend the course lessons?

- 100%: 50% (course n=8, total degree n=97)
- 90%: 50% (course n=8, total degree n=97)
- 80%: 15.46% (total degree n=97)
- 70%: 11.34% (total degree n=97)
- 60%: 2.06% (total degree n=97)
- 50%: 1.03% (total degree n=97)
- 40%: 1.03% (total degree n=97)
- 30%: 0% (total degree n=97)
- 20%: 0% (total degree n=97)
- 10%: 0% (total degree n=97)
- 0%: 0% (total degree n=97)
- missing value: 0% (total degree n=97)
How regularly did you attend the practical sessions?
Comments

Additional comments and observations on course:
- Assignments are a little bit too much work load
- Lectures should start earlier in the morning so that it finishes earlier
- Lecture is very well structured and organized

Additional comments and observations on the teacher or course instructor:

Additional comments and observations on your attendance:

Optional comments

Additional comments and observations on course:
- Just overall and nice with the weekly assignments
