Degree: **Master Computer Science (270)**

Prof. **Augsten Nikolaus**
Course: **72017 Database Management and Tuning**

July 2012, 2nd Semester
Academic year 2011/2012
This report presents the results of the evaluation of the courses held at the Free University of Bolzano-Bozen during the 2011/2012 academic year (2nd Semester). The students were asked to express their opinion on the courses.

The graphs compare the results for each analysed course (72017 Database Management and Tuning, prof. Augsten Nikolaus) with the total for all the courses of the degree held during the same period.

Der vorliegende Kurzbericht stellt die Ergebnisse der Bewertung der Lehrveranstaltungen an der Freien Universität Bozen für das akademische Jahr 2011/2012 (zweites Semester) durch ihre Studenten/innen dar.

Dabei werden die Ergebnisse der Bewertung der vorliegenden Lehrveranstaltung (72017 Database Management and Tuning, Prof. Augsten Nikolaus) mit den Ergebnissen aller Lehrveranstaltungen des jeweiligen Lehrgangs im Zeitraum verglichen. Der Vergleich erfolgt durch die Darstellung der Häufigkeiten der Nennungen.

La relazione presenta i risultati della valutazione dei corsi alla Libera Università di Bolzano per l’anno accademico 2011/2012 (secondo semestre) espressa dagli studenti.

I grafici mettono a confronto i risultati del corso analizzato (72017 Database Management and Tuning, prof. Augsten Nikolaus) con la valutazione del totale dei corsi attivati nello stesso periodo per il corso di laurea.
Organisation

Is the subject work load in the time period stated above generally acceptable?

Is the organisation (timetable, half term and final exams) generally acceptable?
Organisation of this course

Has exam procedure been explained clearly?

Has the subject timetable been respected?
Are teaching staff available for explanations and clarification?

Is the length of the course well balanced?
Didactic activity and study

Was my preliminary knowledge sufficient / adequate in understanding the subject?

Does the teacher stimulate / motivate interest in the subject?
Does the teacher explain the subject clearly?

Is the study load in this subject proportionate to the credits awarded?
Is the didactic material (recommended or supplied) adequate for subject study?

Are the supplementary didactic exercises (exercises, laboratory, seminars etc...) constructive in subject learning? (if supplementary didactive activities are not part of the course, reply “not included”)
Is the course well structured?

Are the examples given to support theory adequate?
Is the course level adequate?

Does the teacher display teaching ability?
Is the teacher open to discussion and does he/she answer questions?

**Infrastructure**

Are the teaching rooms for this course adequate? (blackboard visibility, seating, acoustics)

![Chart depicting the adequacy of teaching rooms](chart1.png)

Are the rooms and equipment for the supplementary didactic activities adequate? (exercises, labors, seminars, ...) If there are no additional didactic activities planned, answer with “not included”

![Chart depicting the adequacy of supplementary didactic activities](chart2.png)
Interest and Satisfaction

Am I interested in the subject? (regardless of teaching method)

Am I generally satisfied with the teaching of the subject?
Student participation

How regularly did you attend the course lessons?

[Bar chart showing attendance rates: 18.55% for 100%, 50% for 90%, 45.97% for 80%, 7.26% for 70%, 0% for 60% and below, with course (n=8) and total degree (n=124) comparisons.]
How regularly did you attend the practical sessions?
## Comments

**General comments**

**Additional comments and observations on course:**

Work load of the course in my opinion is a bit larger than 4 credit course.

**Additional comments and observations on the teacher or course instructor:**

**Additional comments and observations on your attendance:**

**Additional comments and observations on course:**

It's quite difficult but interesting course for BBA/MS student.

**Additional comments and observations on the teacher or course instructor:**

**Additional comments and observations on your attendance:**
Additional comments and observations on course:

Gradual could be a bit less

Additional comments and observations on the teacher or course instructor:

Additional comments and observations on your attendance:

Additional comments and observations on course:

The lab assignments are not too long

Additional comments and observations on the teacher or course instructor:

Additional comments and observations on your attendance:
Additional comments and observations on course:

A very good course could also be a 3 credit course, if more material was added.

Additional comments and observations on the teacher or course instructor:

Positive!
