

Programming Paradigms - Prolog Instructions

Theodoros Chondrogiannis

2nd Semester 2016/17

For the Prolog part of the course we are using SWI-Prolog. Download the file `minibase.pl` from the Programming Paradigms web page, start Prolog, and then load and compile the file you have downloaded:

```
> swipl
% library(swi_hooks) compiled into pce_swi_hooks 0.00 sec, 2,224 bytes
Welcome to SWI-Prolog (Multi-threaded, 32 bits, Version 5.10.2)
...
For help, use ?- help(Topic). or ?- apropos(Word).

?- [minibase].
% minibase compiled 0.00 sec, 556 bytes
true.

?- fact(a,b).
true.

?- halt.
>
```
